## **Non-GMO Statement**

Fluid Path Products, LLC certifies that the final production articles comprised of Platinum Cured Silicone, Viton/FKM, Viton GF-600s, Stainless Steel Filled PTFE / TFM & PTFE in all varieties and colors do not incorporate the use of any GMO derived ingredients.

No GMO derived ingredients are employed in the manufacture of any of our custom rubber fabrications.

Fluid Path Products recognizes that the presence of Genetically Modified Organisms (GMOs) is a concern within the biotech, pharmaceutical, and food & beverage processing industries. We share this concern and are aware of the consequences in exposing product to any GMO or ingredients containing them. Accordingly, Fluid Path Products has taken every precaution to ensure that the ingredients used in the manufacture of our elastomers, polymers, rubber articles, release agents, and mold cleaning agents do not have the presence of any GMO derived ingredients.

All products are GMO Free
