REACH Compliance Certificate

NON-CONTROLLED COPY

Fluid Path Products (FPP) conforms with the EU Chemicals Legislation. This includes the REACH Regulation (EC) 1907/2006 concerning the registration, evaluation, authorization, and restriction of chemicals and The CLP Regulation (EC) 1272/2008 concerning the classification, labelling, and packaging of chemicals. FPP only processes virgin rubber raw materials into finished rubber products for use as FDA compliant, high-purity products. FPP only buys raw materials from suppliers we have vetted and approved, their performance is monitored and we should be able to obtain the information you require relating to any of the products that we supply to you.

The REACH Compliance Statement is provided in good faith and can be used by the customers under their own responsibility. FPP will keep track of relevant changes in the EU Chemicals Legislation and/or provided by our suppliers to keep this REACH Compliance Statement accurate. Please don't hesitate to contact us with questions or concerns.
